

Dr Amit Goel

DNB, PDCC, IDCC, EDIC

Principal Consultant, Institute of Critical Care Medicine

Max Super Speciality Hospital, Saket, New Delhi, India.

I have 14 years of experience in Critical Care Medicine, Acute Care and Anesthesiology at various premier institutes of India.

My area of interest is Infection prevention & control, Antimicrobial stewardship, Critical care toxicology and Extracorporeal therapies. My keen interest is in training and critical care research programs. I am teacher and thesis guide for post-graduate and fellowship programs.

I am an active member in various administrative and academic activities at regional and national level.

Professional Society Activities-

- Executive Committee Member ISCCM Delhi-Noida Branch-2020-2022
- Faculty, Instructor and Coordinator FCCS (Society of Critical Care Medicine, USA)
- Secretary Organizing Committee, Asia Pacific Critical Care (APCC)

Professional Society Membership-

- Member European Society of Intensive Care Medicine (ESICM)
- Member Indian Society of Critical Care Medicine (ISCCM)
- Member College of Critical Care Medicine (CCCM)
- Member Indian Society of Anesthesiologists (ISA)

Academic Contribution-

- Goel A, Singh O. **“Principles and Practice in Critical Care Toxicology - Herbicide poisoning, Carbamates and Newer Insecticides.**
- Garg S K, Goel A **NIV in Trauma “Principles of NIV-ISCCM Book”**
- Garg S K, Singh P, Chanchalani G, Goel A. **NIV in Chest Wall Deformities “Principles of NIV-ISCCM Book”**
- Bhakta P. Goel A. **“Propofol for the management of Glycine mediated excitatory symptoms of TURP-syndrome” *European Journal of Anesthesiology 2008 May; 25(5):430-2.***

With my proven ability to excel and keen academic interest, I am sure I would be able to make a significant contribution in critical care services as per the aspiration of the organisation.
