

## Curriculum Vitae

**Name:** Susruta Bandyopadhyay

**Academic qualifications:** MBBS ,Diploma in Cardiology , MD (Medicine ) ,Fellow of Indian College of Critical Care Medicine . A mentor for the European Diploma for advanced Critical Care Echocardiography

**Association with ISCCM:** Member since 1999, Secretary Kolkata branch in 2005 .Organizing secretary for the Criticare 2013 held in Kolkata , & hence the Co opted Executive Committee member . East Zone Executive Committee member for 2 subsequent terms from 2014 to 2018 . Vice President from 2018 to 2020 .Presently the Nursing Secretary in the Indian College of Critical Care Medicine .

**Academic achievements :**

I have been a peer reviewer & contributor to the Indian Journal of Critical Care Medicine . I have been a regular author in the Critical Care Year Books published by the ISCCM . I have also contributed to several text books .I have been a faculty in many national & international conferences & workshops .

**Organizational achievements :**

I was one of the founders of the Eastern Zonal Critical Care Conference ( It was the first zonal conference )

I was the organizing secretary for Criticare 2013 .

I have organized two conferences on critical care imaging ( it was named the Third Eye ).

I am presently in the process of developing a module based online training program for critical care nurses .

**My visions & aims :**

I want that ISCCM should reach out to the common members & be empathetic to their expectations from the society .

I want to be a part of the society's initiative to popularize its courses in India & establish them in other countries also .

I want to complete my unfinished project of building a portal for countrywide reporting of cases of poisoning , & maintain a database . I am already in the process of preparing a module based training program for the critical care nurses ( STEP - N) , which I hope to complete.
