Works towards Indian Society of Critical Care Medicine :-

- Served ISCCM as part of hospital accreditor on various occasions and remain observer in IDCCM theory exam.
- During my tenure, ISCCM AHMEDABAD had initiated 1ST ever state conference of critical care medicine in INDIA 'GUJARAT CRITICON'. We worked hard to unite all branches of ISCCM in Gujarat state. Afterwards, so many state had followed the same path. Now we are in advisory panel in Gujarat criticon which is being held every year in Gujarat.
- To create an awareness about critical care medicine, As part of team ISCCM, We have taken initiative to organize "Public Awareness Program" which is unique in all sense and that really helped us to find a good place in the society.
- As 'FCCS CONSULTANT' conducted more than 30 courses since 2013 across all over india and also in kenya.
- Under the banner of isccm ahmedabad initiated 'monthly meet' in the city since 2014 till date remain one of the main driving force to complete more than 30 such meets which is immensely helpful to IDCCM students of the city.
